

**REMARKS**

Claims 1, 4,10 and 11 are pending in the application.

Claim 3 was objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Accordingly, claim 1 has been amended to incorporate the features of claim 3, and all of the limitations have been included. It is submitted that claim 1 is thus allowable. Claim 4 depends on allowable claim 1 and for this reason at least is also allowable.

Claims 10 and 11 stand allowed.

Reconsideration of this application is respectfully requested. In view of the foregoing, allowance of all the claims presently in the application is respectfully requested, as is passage to issuance of the application. If the Examiner should feel that the application is not yet in a condition for allowance and that a telephone interview would be useful, he is invited to contact Applicants' undersigned attorney at 973 386 3147.

Respectfully submitted,
